B. Change in Disbursement Method

The disbursement options offered on the online PLUS application do not apply at UCSB. Specifically, UCSB **cannot split** the loan by applying part to the student's BARC account and sending the remaining balance to the parent borrower.

Below are UCSB's three possible disbursement scenarios:

- 1) If you selected **"Me"** (the parent) on the PLUS application, and the loan amount is **less** than the student's UCSB BARC account balance, the loan will be applied directly to the student's account.
- 2) If you selected **"Me"**, and the loan amount is **more** than the student's BARC account balance, UCSB will mail the entire loan amount to the parent via paper check.
- 3) If you selected **"The Student"**, the loan will be applied to the student's BARC account. Any remaining credit will be refunded directly to the student.

Please select one of the disbursement method's below:

The option you choose will apply to all Parent PLUS Loan applications currently on file. Any new application submitted later will require resubmitting this form.

☐ **To Students's UCSB BARC Account (Recommended)** - I request that all future disbursements be sent directly to my student's UCSB BARC billing account. I authorize UCSB to apply my PLUS loan to all outstanding charges, including but not limited to: tuition and campus fees, room and board, student health fees, library or late fees, and prior year charges of \$200 or less, etc. Any remaining credit balance will be refunded to my student by [e-Refund](#) or check.

☐ **To Parent by Paper Check** - I request that future disbursements **not** be applied to my student's UCSB BARC account. The full loan amount will be mailed to me as a check, either to the address provided on the PLUS application or the address listed below. I understand these disbursements are not issued until the second week of each quarter and cannot be used to meet fee deadlines.
